OBJECTIVE

A passionate software developer with expertise in Python, Java, and web development. Skilled in building efficient software solutions and collaborating effectively within dynamic teams to deliver impactful results.

TECHNICAL PROJECT EXPERIENCE

- **Notes Sharing Web Application:**
 - Developed with Python & Django, implementing core web functionalities.
 - Integrated user authentication, role-based access control, and search.
 - GitHub: notes_sharing_application
- **Bus Reservation System:**
 - Developed a Java-based system for booking and cancellation.
 - Implemented real-time seat availability and efficient billing.
 - GitHub: busbooking_system

INTERNSHIP | FULL STACK DEVELOPER | EDUNET | February 2024 - April 2024

- Developed a web application for academic note-sharing using Python and Django.
- Implemented features for easy upload, management, and sharing of notes among users.
- Worked on complex programming structures, enhancing my problem-solving and coding abilities.

SKILLS

- | | | |
|----------|---------------|-------|
| • Java | • Django | • SQL |
| • Python | • Spring Boot | • Git |

CERTIFICATION

Programming in Java | NPTEL: Programming Data Structure and Algorithm using Python | JavaScript Essentials 1 | Python Essentials | Introduction to Networks | Wipro: Java Full Stack

ACHIEVEMENTS

- | | |
|---|---------------|
| • 1st Place in Collegiate Coding Contest, St. Joseph's College. | 23-Feb-2024 |
| • 1st Place in Code War, IFET College of Engineering. | 25-April-2024 |
| • 1st Place in Debugging Event, Strobe 2k24, Annamalai University. | 16-April-2024 |

LEADERSHIP ACTIVITY | CODING CLUB | INSTRUCTOR | IFET COLLEGE OF ENGINEERING

- Conducted coding workshops to mentor juniors in problem-solving and algorithms.
- Organized coding competitions to enhance logical thinking and efficiency.
- Guided students in competitive programming techniques, helping them prepare for hackathons and coding challenges.

EDUCATION

- | | |
|--|-----------|
| • B.E-Computer Science and Engineering CGPA 8.25 IFET College of Engineering | 2021-2025 |
| • HSC – Lakshmi Chordia Memorial Matric Higher Secondary School 88.5 % | 2020-2021 |
